

HOW TO CHANGE YOUR ROOM CODE

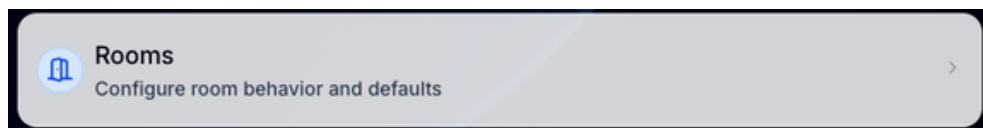

Step 1:

Click on the settings icon in the top right corner of your ILA when on the home screen.

Step 2:

Press on the Rooms section to drop down more options.

Step 3:

Choose which room you would like to change the Room Code for and click on the arrow to see the settings for that room. You can change the room code for both the 1-on-1 Room and the Broadcast Room.

Clear the number that is listed in the room you would like to change the code for. You can change the code for both the 1 on 1 Room and the Broadcast Room.

Rules regarding your new Room Code:

- Must be unique. Your room code cannot be a code that is already in use.
- Must be letters or numbers.
- Cannot include special characters.
- We recommend making your room code all lower case.
- Keep it simple!

****Note:** changing your room code will also change your QR code. If you have already printed or posted your current QR code you will need to replace it with your new QR code.
