

STAY CONNECTED. STAY INFORMED.

Families and schools work best when communication is clear.

Instant Language Assistant allows families and school staff to communicate more effectively, helping everyone work together to support student success.

How to Get Started:

1. Scan the QR code or click the link
2. Select your preferred language.
3. Connect with school staff.
4. Start communicating confidently.

Questions?

Contact your school's main office for assistance.
