

TRANSLATELIVE

K-12 Implementation & Customer Success

Helping districts move from purchase to daily use through planning, training, adoption, reporting, and long-term partnership.

CLIENT PROMISE

TranslateLive partners with districts to ensure Instant Language Assistant becomes a practical, trusted part of daily school communication—empowering staff, engaging families, and improving outcomes.

OUR ROADMAP

1

PLAN & ALIGN

- Assess Needs & Goals
- Align Stakeholders
- Build a Success Plan

2

LAUNCH

- Configure & Onboard
- Train with Confidence
- Communicate & Engage

3

ADOPT

- Drive Daily Usage
- Support & Coaching
- Celebrate Early Wins

4

OPTIMIZE

- Review Data & Insights
- Refine & Expand
- Sustain Long-Term Value

CLIENT SUCCESS OUTCOMES

- Stronger communication with multilingual families
- Increased staff confidence using Instant Language Assistant
- More consistent language access workflows across the district
- Better support for front office, conferences, IEP, MTSS, and ESL-ELL teams
- Data-informed adoption planning and decision making
- Sustainable success through ongoing partnership and support

EDUCATION EXPERIENCE THAT SUPPORTS IMPLEMENTATION

With more than 20 years in K-12 education, TranslateLive understands the realities of school communities. We meet you where you are, honor your priorities, and help you build language access solutions that last.
